

Description

The Datatek single section wall mount cabinet does the job for offices and retail environments that require a secure, heavy-duty wall-mounted storage option for standard 19" rack-mount servers and networking equipment.

Removable side panels and the reversible, reinforced tempered glass front door offer access for easy servicing. The security locks safeguard your network equipment.

The sturdy welded frame is made of heavy-duty Cold Rolled Steel with a durable, professional Black Powder Coated finish. It's the network cabinet with the right design and construction to bring security and reliability to data center and office builds that require wall-mounting.

How to Order

Part Number	Description
24B12RW64	12U 450mm deep single section rack

Rack Height (U Spaces)	12U	Features	
Product Dimensions (WxDxH)	600 x 450 x 635	Packing method:	Assembled packing
Material	Cold Rolled Steel	Rack Hole Type:	M6 holes
Door type	Tempered Glass Door		
Static Loading Capacity	40kg		
Shipping Dimensions (WxDxH)	650 x 500 x 700mm	Included Hardware	
Shipping Weight (KGS)	17	12	M6 cage nut screws
Meas.	0.18CBM	2	Keys
Colour	Black	4	Mounting Bolts
