MLNX5

The NX5 is a 5 in 1 digital door lock represents a classic, easy entry option for your home. A sleek door lock with a Bluetooth App, pin code, RFID card, fingerprint and override key to provide quick and convenient access. Send digital keys to friends and welcome guests or timed access if you have maintenance needing to be done at your property. The TLock App provides an audit trail so you can see who has had access to your lock and when. Add a gateway and the NX5 can be unlocked anywhere in the world using the TLock App.
