## Designed to make access easier.

The ALBION by McGrath Locks is a sleek and stylish lock designed for the Australian market. A great addition to the home, office or business, this 4 in 1 digital door lock provides a versatile and convenient method of entry that allows you to easily manage who has access to your property.

Utilising the powerful TTLock APP, lock and user settings are easily configured and managed. Access can be provided to family and visitors alike through pin code, RFID credential, eKeys managed via BLE and mechanical key override. By adding a McGrath Locks WIFI gateway you can remotely unlock the ALBION from anywhere in the world using the TTLock APP.

The ALBION comes with either an adjustable tubular latch or European mortice lock version. It is also compatible with the most common Australian commercial mortice locks.
