2.4 Ghz Network
SECURAM Guard app
iOS or Android Smartphone

In the Box

Safe Monitor, 6" Wi-Fi Antenna, 72" Wi-Fi Antenna, 3 AA Batteries, Mounting Velcro and Hardware

Specifications

Model #: SH-SM01-A
Product Dimensions: 3.88 x 2.56 x 0.75" in
Device Specs: Wi-Fi Connectivity, Light Sensor, Vibration Sensor, Battery or AC Power Option
Operating Temperature: 32°F to 122°F (0°C to 50°C)
Operating Humidity: <95% RH

Easy Wi-Fi Setup

Remotely monitor your valuables from anywhere with the SECURAM Guard App.

Comprehensive Monitoring

Track temperature, humidity, door status, vibrations, and receive notifications on your phone.

Customizable Settings

Set acceptable temperature and humidity ranges and receive alerts if levels fall outside thresholds.

Advanced Security Features

Laser sensor alerts for open-door status, while the semiconductor vibration sensor detects movement.

Wide Application

Use in safes, cabinets, climate-controlled rooms, storage boxes, and more, with no monthly fees.

Wireless Control

Enhance security with remote monitoring through your smartphone using the SECURAM Guard app.

The SECURAM Guard app requires iOS 13+ or Android 6.0+
