## BRAVA

Locking For Life

---

### **Welcome to BRAVA - Locking for Life**

For the past 35 years, BRAVA has been a trusted name in security.

Designed by locksmiths, for locksmiths, our slogan - "**Locking for Life**," embodies our commitment to creating long-lasting, reliable security solutions that protect what matters most.

With our Australian based design & specification team representing the pinnacle of locksmithing knowledge and expertise, only quality products make the BRAVA grade.

Our unique and specially engineered range of locksets, deadbolts, cylinders and accessories offers a high standard of safety, reliability and quality, and these give unbeaten peace of mind.

At BRAVA, we believe that door locks are the first shield in home and business security. This belief drives our relentless pursuit of innovation and excellence.

Our range includes fire-rated and DDA-compliant hardware, demonstrating our commitment to both safety and accessibility for all Australians.

For over 35 years, BRAVA has been "Locking for Life," ensuring the safety and security of homes and businesses across Australia.

Our dedication to quality, security, and customer satisfaction has made us a trusted partner in the security and locking industries.

Whether you're safeguarding your home or securing your commercial property, BRAVA provides the protection you need with the reliability you deserve.

Thank you for choosing BRAVA - where security meets innovation, and "Locking for Life."

Includes 1 x Tail Bar  
Includes 2 x Fixing Bolts

Code	Suits
V11D201	Single cylinder
V11D202	Double cylinder

## BRAVA URBAN TOOL

The BRAVA strike locator is used to mark a door jamb for proper installation.

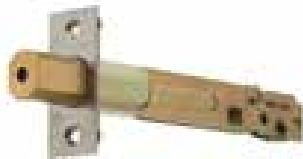

After the 25 mm latch bolt and the 54 mm main body holes are drilled, insert the BRAVA strike locator, close the door, put pressure on the tool and the sharp centre of the tool marks the frame showing where to drill for proper latch or deadbolt alignment.
